MEMORANDUM FROM THE SECRETARY

TO : All Chiefs of DA Offices, RFUs, Bureaus/Attached Agencies

DATE : 15 September 2011

SUBJECT : **BRIEFER FOR ACTION DOCUMENTS SUBMITTED TO THE DA SECRETARY**

It has been observed that, except for a few communication, more of the communication/documents submitted to the DA Secretary for dispositive action were **without a briefer** which will explain the nature/status of the matters treated in the said communication/document.

A briefer contains the **background, contemporary facts** bearing on the matter, **coordinations made with the offices concerned** as needed, **law or regulation bearing on the matter, options available and recommendations.**

More often than not, **delays** were inevitably incurred because needed information/coordination which could have been made available in the briefer, would still be secured from various sources before it is submitted to the Secretary.

In the interest of good management, orderliness and completeness of information on all matters elevated to the Secretary for dispositive action, all DA subordinate offices are hereby enjoined to see to it that every action document proposed to be submitted to the Secretary shall invariably be accompanied by a briefer.

Documents not accompanied by a briefer will be returned to office of origin without action for compliance of said requirement.
