NMIS QUALITY POLICY

The National Meat Inspection Service is a specialized regulatory agency attached to the Department of Agriculture, which serves as the sole national controlling authority on all matters pertaining to meat inspection and meat hygiene for local and imported meat hereby commits itself to:

1. Effectively and efficiently adapt innovative meat inspection service using relevant standards and technologies to protect the meat-consuming public while promoting the livestock and poultry sector together with other government agencies and meat industry partners to ensure the safety and good quality meat in the Philippines;
2. Remain dedicated to the Core Values of NMIS, namely Professionalism, Integrity, Teamwork, Accountability, and God-centeredness;
3. Comply with applicable statutory and regulatory requirements;
4. Meet the stakeholders' standard on meat safety and quality through efficient product inspection and services;
5. Continuously develop human resources capability to be able to contribute and sustain an effective Quality Management System;
6. Integrate Risk Management System into the NMIS processes, specifically in policy formulation, decision-making, planning, service provision, performance monitoring and evaluation, and continuous improvement of processes; and
7. Ensure continuous process improvement for an efficient and sustainable Quality Management System compliant with ISO 9001:2015 in the short term and other ISO standards in the long term.

This Quality Policy shall be made known to all NMIS employees and stakeholders and will be reviewed periodically to fulfill clientele needs and expectations and remain aligned to NMIS strategic goals.
